

Graphic Designer

Are you a creative storyteller with a sharp eye for branding and digital design? **We are seeking a versatile Graphic Designer to join our team and lead the visual identity across our digital platforms.** This role is perfect for a self-starter who excels at turning complex ideas into clean, engaging visuals and thrives in a collaborative, fast-paced environment.

Key Responsibilities

- **Brand Management:** Create, manage, and update consistent branding across all company websites.
- **Company Documentation:** Design and maintain professional external company documentation.
- **Social Media & Video:** Develop high-impact marketing assets for social media and create engaging YouTube thumbnails for our various channels.
- **UI Collaboration:** Liaise with the tech team to develop UI prototypes and conceptual designs.
- **Marketing Support:** Partner with the marketing team on newsletter design and overall campaign aesthetics.
- **Creative Assistance:** Support our writing team by fulfilling diverse design requests for articles and content.

Requirements & Skills

- **Platform Mastery:** Highly skilled in Canva for professional design production.
- **Digital Design Tools:** Proficiency in **Sketch** and/or **Figma** is essential for UI/UX collaboration.
- **Adobe Suite:** Proficiency in Adobe Creative Suite is preferred but not essential.
- **Design Fundamentals:** Strong layout skills with a meticulous attention to detail.
- **Operational Excellence:** Excellent organisational and time management skills.
- **Work Style:** Comfortable working independently and managing multiple projects simultaneously.

Why Join Us?

You will be at the heart of our creative process, working across multiple websites and teams to define how our brands are seen by the world. We value independence, creativity, and a proactive "can-do" attitude. We are a 100% remote company with a strong collaborative culture.

How to Apply:
